

Rabi'ul Awwal
1445 AH

Kids Activity
booklet

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
وَمِنَ النَّاسِ مَن يَشْرِي نَفْسَهُ ابْتِغَاءَ مَرْضَاتِ اللَّهِ

Which event took place on
1st Rabi'ul Awwal...

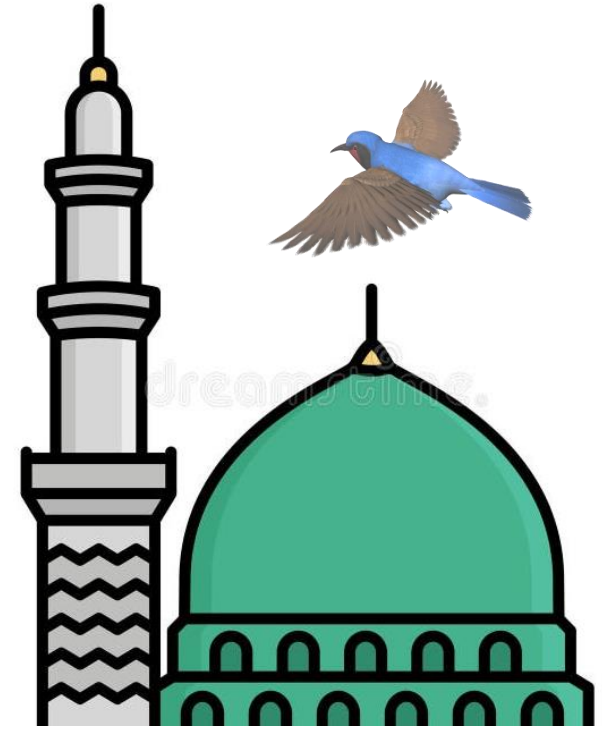

Observe the picture and find the
translation of above Ayat from
Holy Quran

Discuss the whole event with your family

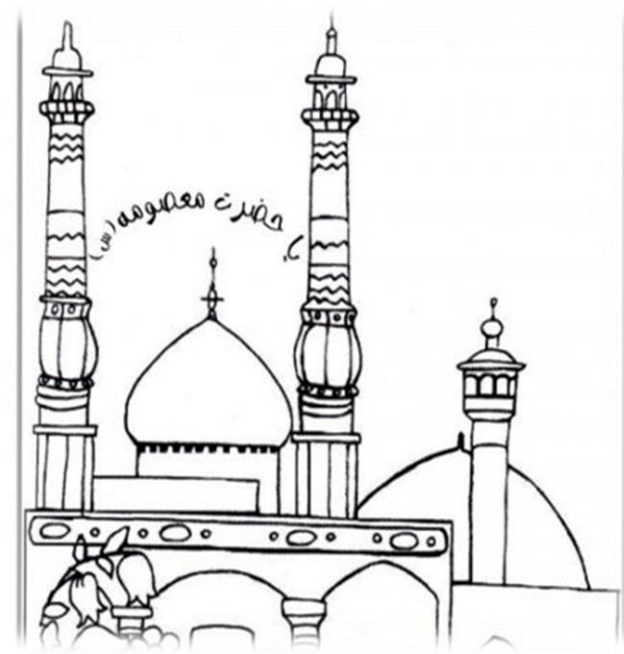

2nd Rabi'ul Awwal

Ahl e Haram enter Medina

Imagine you are a bird flying over the Green Dome of the Prophets Mosque, can you write and draw what you are seeing

4th Rabi'ul Awwal shahadat of Fatima Masooma Qum (sa)

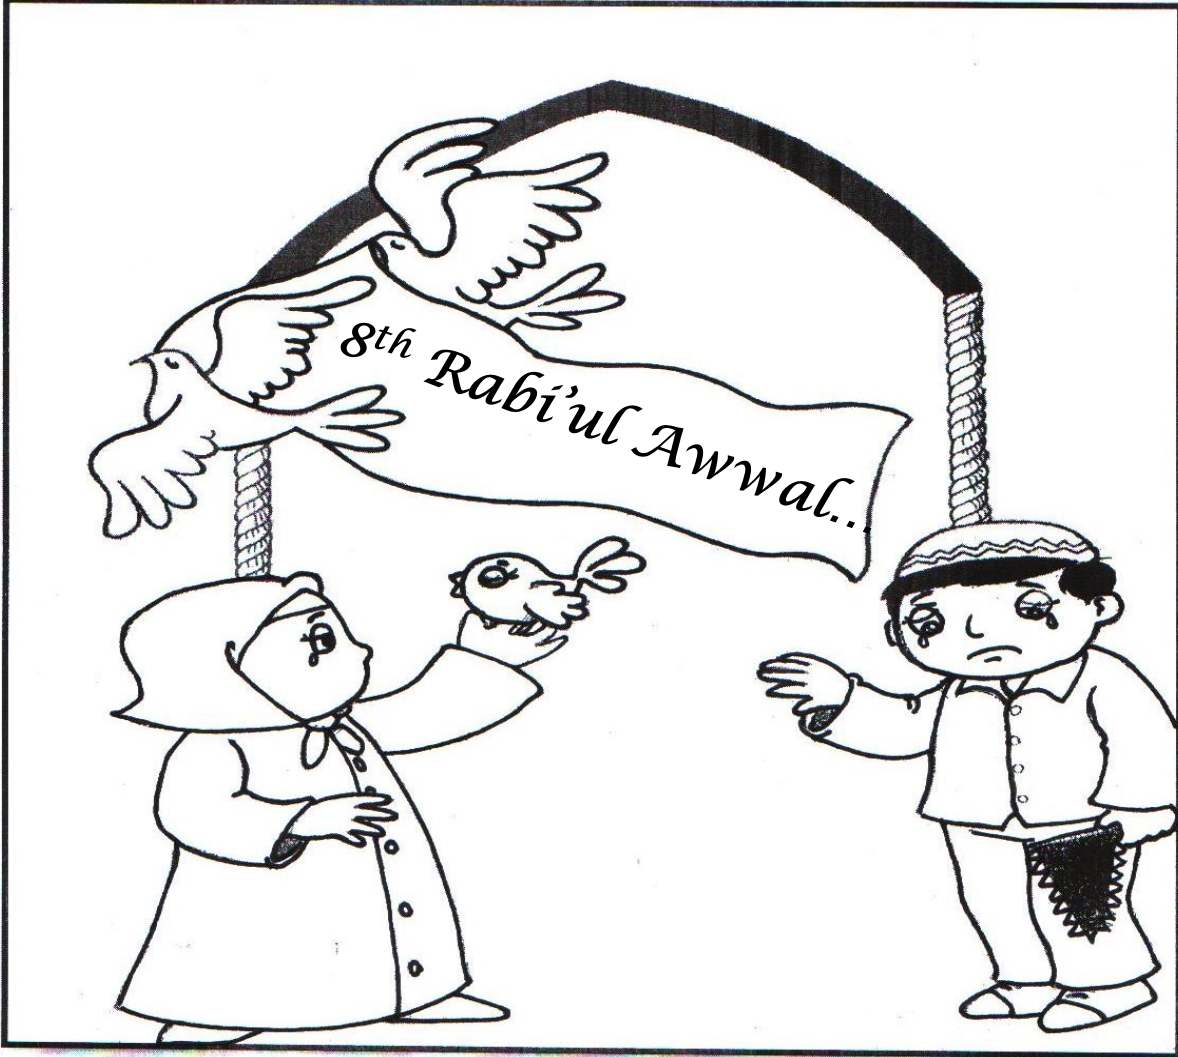

Imam Muhammad Taqi al-Jawad (as) has said

مَنْ زَارَ عَمَّتِي بِقُمْ فَلَهُ الْجَنَّةُ

*“Whoever visits my aunt Lady Fatima Masuma (sa)
in Qum, will enter Heaven.”*

**Search Hadith related to Masooma e Qum that discusses relationship
between her Ziarat and Ziarat of Fatimatu Zahrah (sa) in Medina**

شہادت امام حسن عسکری (ع) تسلیت باد

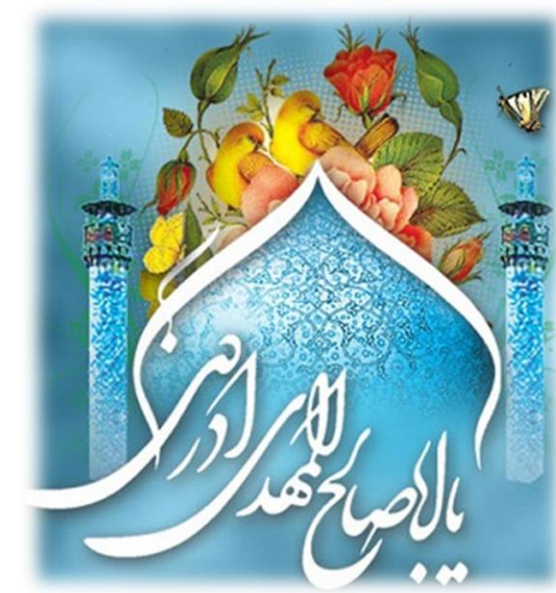

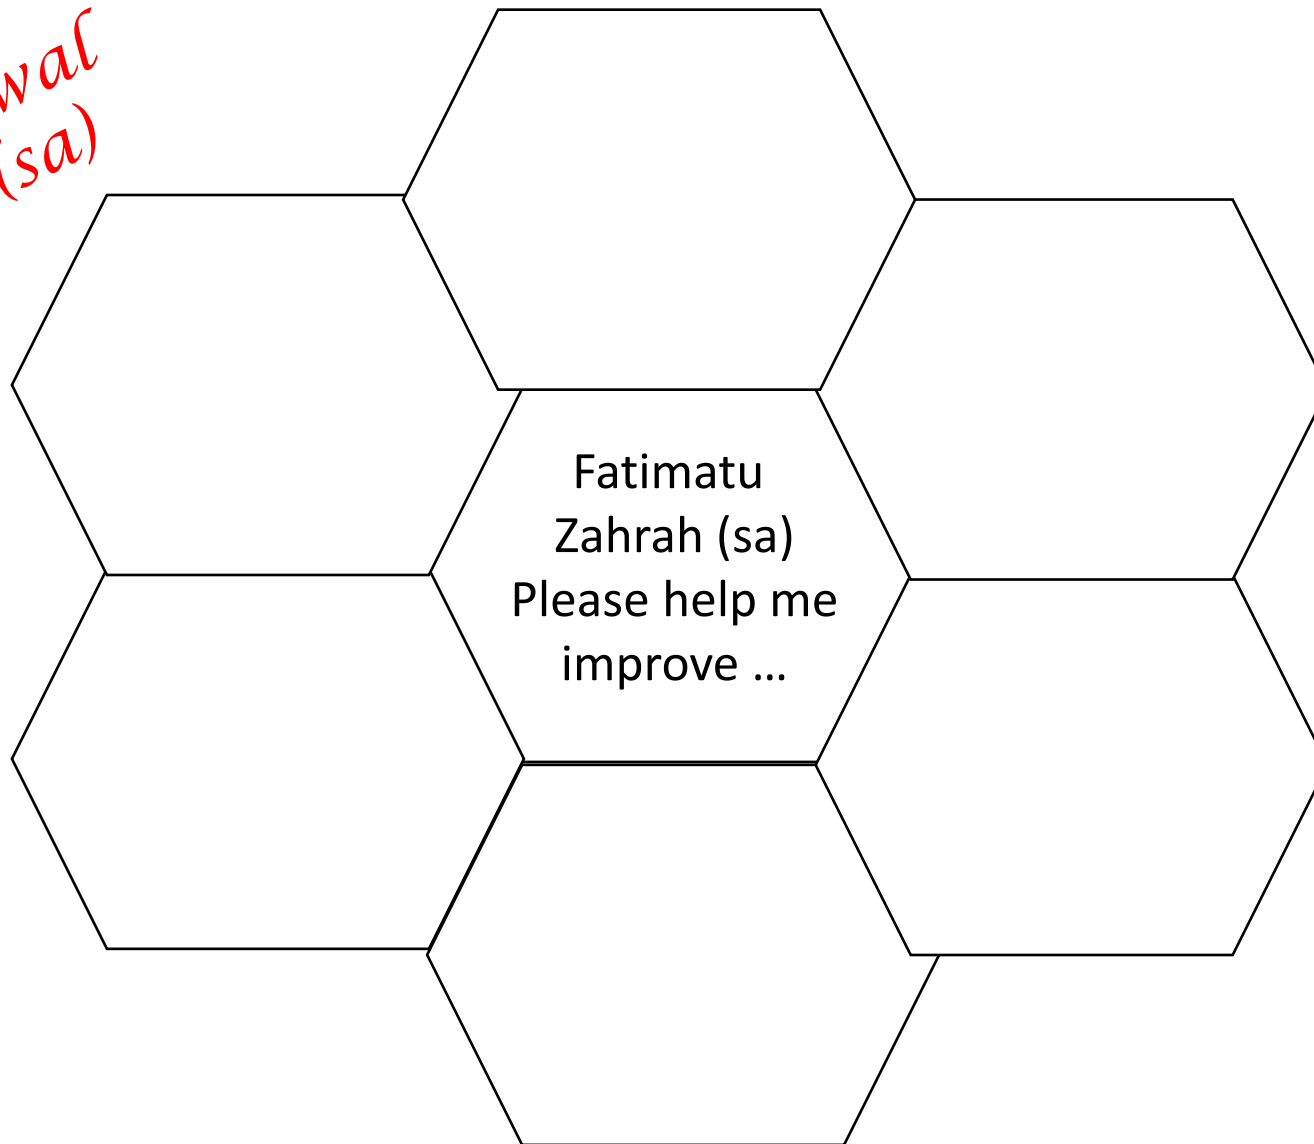

8th Rabi'ul Awwal...
Shahadat Imam Hassan Askeri (as)

It's the day Imam Al Hujjah (ajtf) became an orphan. How will you console Our 12th Imam (as).

Write a letter or a poem that will help ease the pain of our living Imam (ajtf) with a promise to be
IMAM (ajtf) ACTIVE SOLDIER

9th Rabi'ul Awwal
Eid e Zahrah (sa)

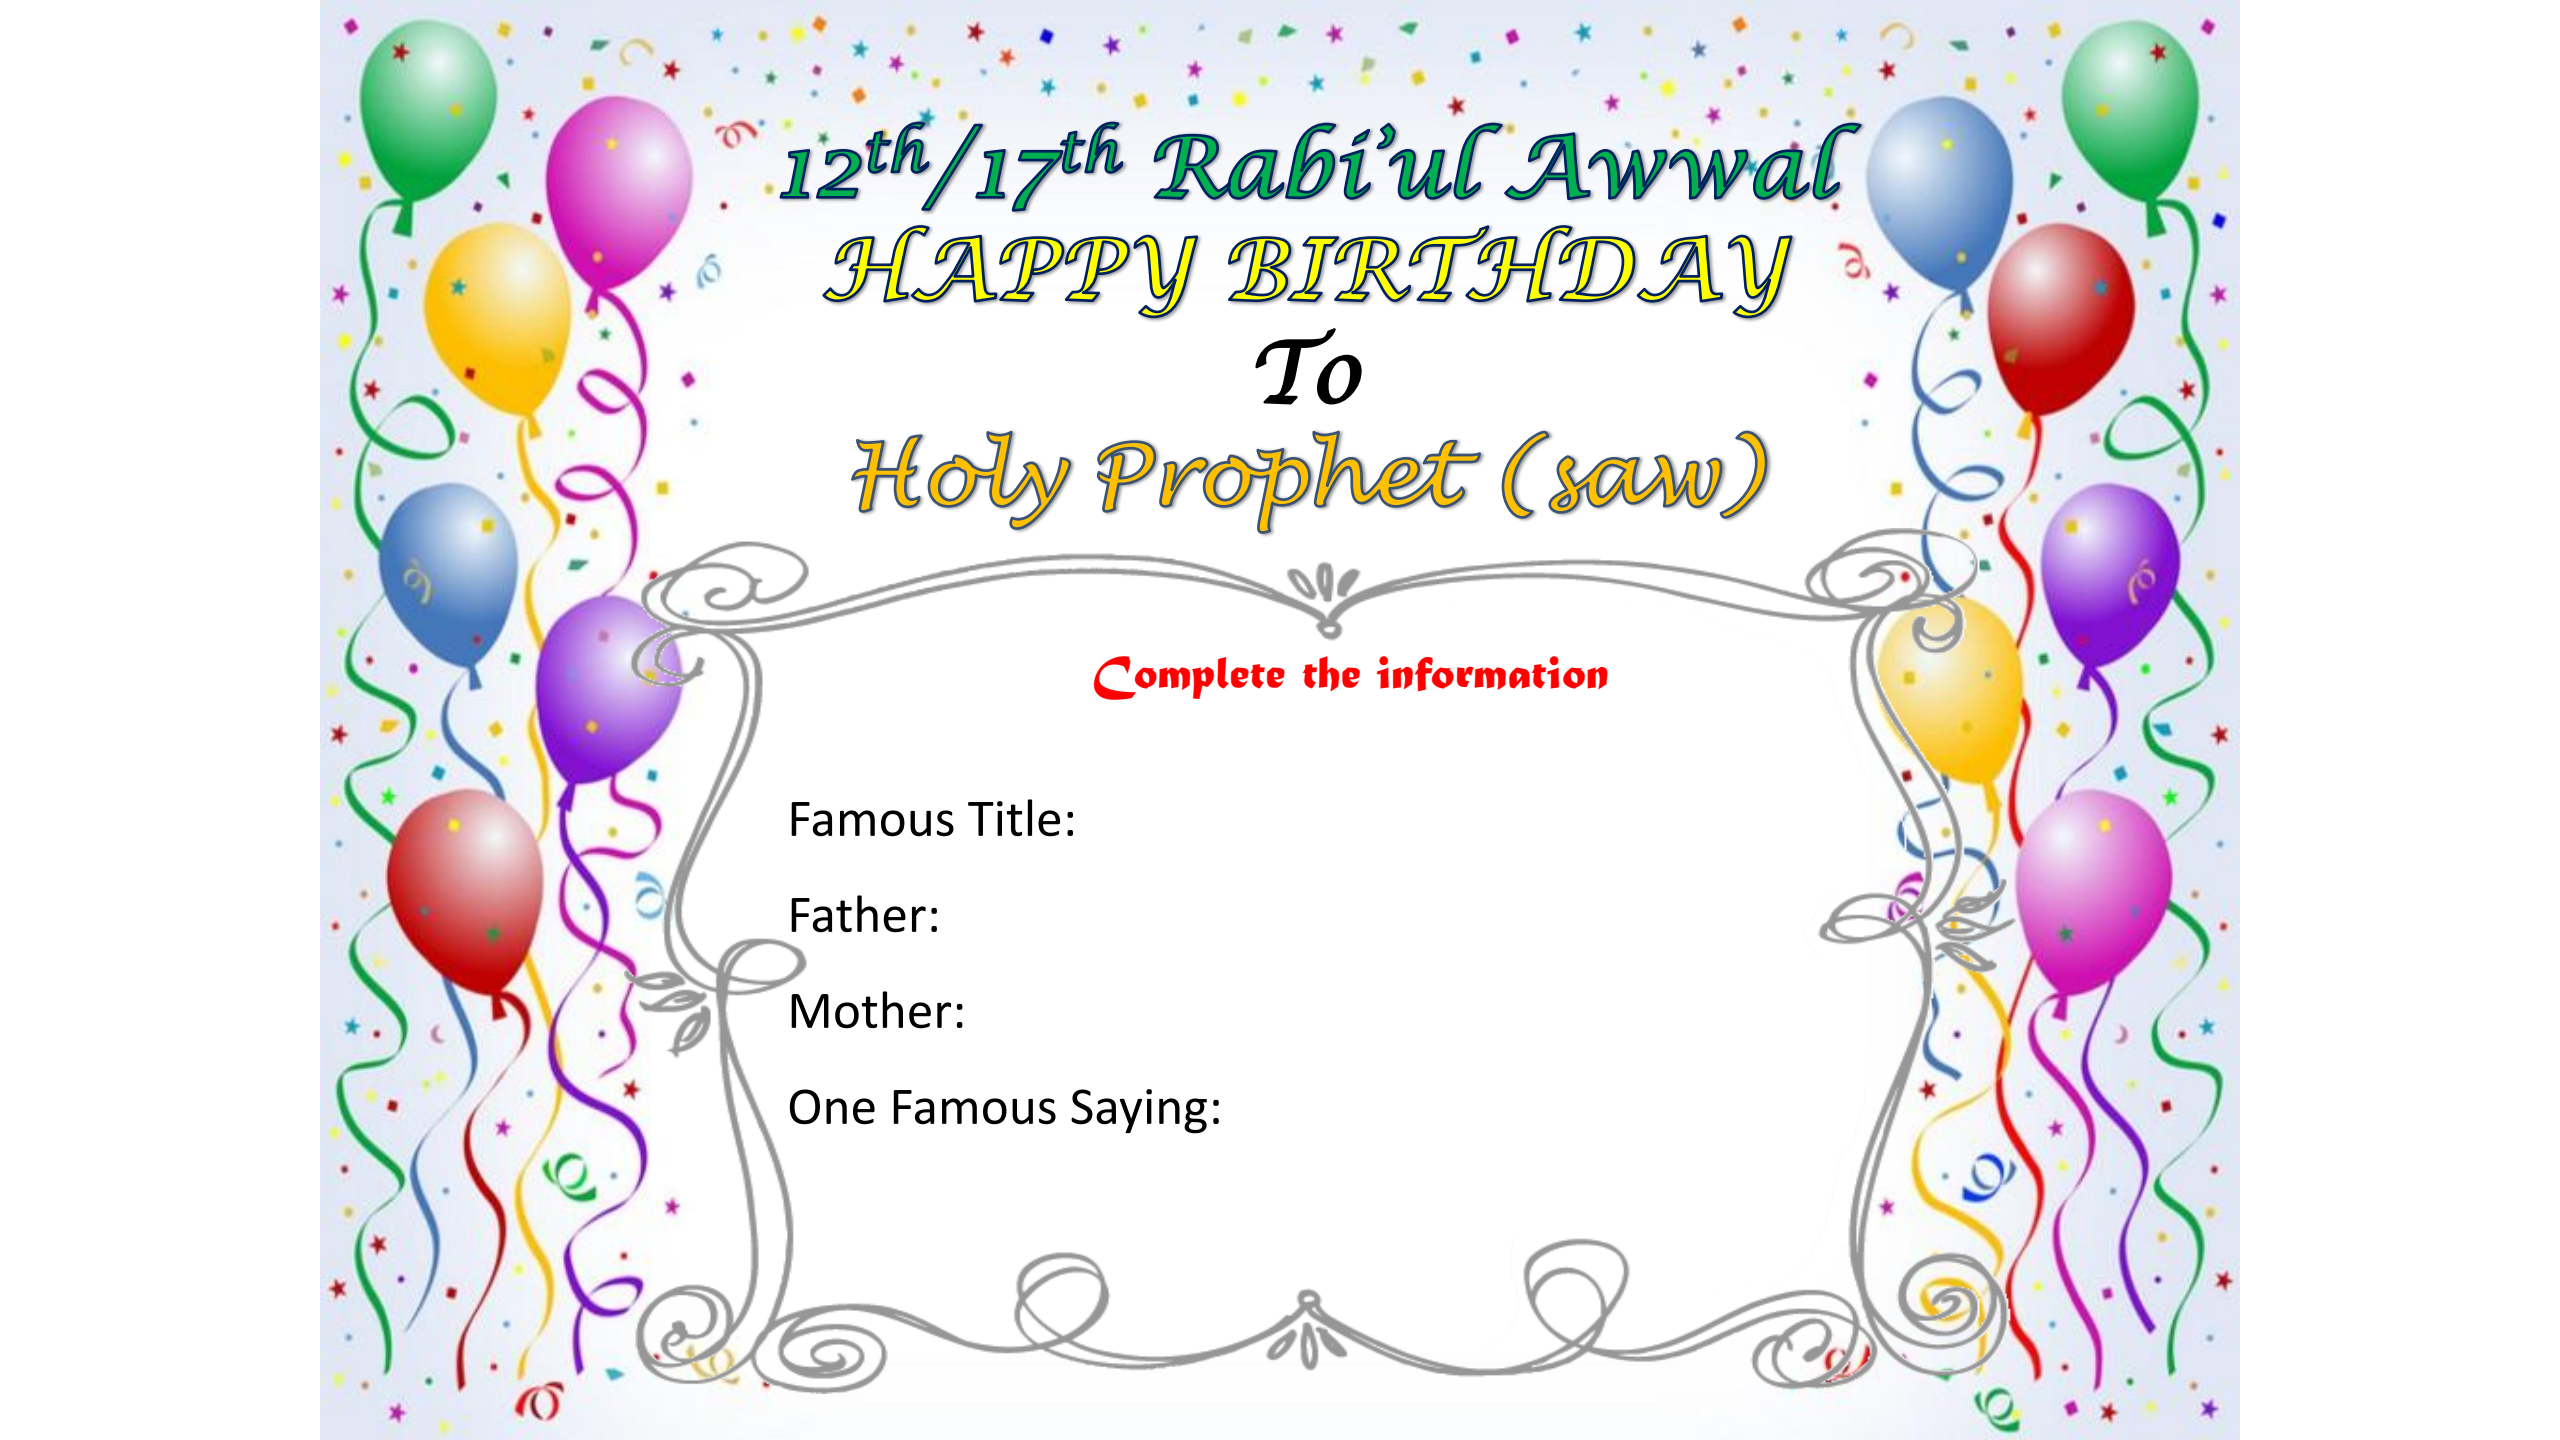

Its 9th Rabi'ul Awwal, Eid e Zahrah (sa) and beginning of Imam Mehdi (ajtf) Imammat. Let's ask Fatimatu Zahrah (sa) to help improve our Akhlaq so we can join the Army of Imam Al Hujjah (ajtf) and be Imam (ajtf) chosen friends.... Ameen

السَّلَامُ يَا سَاقِيَ الْحَجِيجِ وَ حَافِرِ زَمْرَمَ

*10th Rabi'ul Awwal death of Holy prophet (saw) Grandfather
Hazrat Abdul Muttalib (as)*

*As a family discuss the event mentioned in Holy Quran with reference to him and
also search what he said about the Holy Prophet (saw) while he was on his death bed.*

12th/17th Rabi'ul Awwal
HAPPY BIRTHDAY
To
Holy Prophet (saw)

Complete the information

Famous Title:

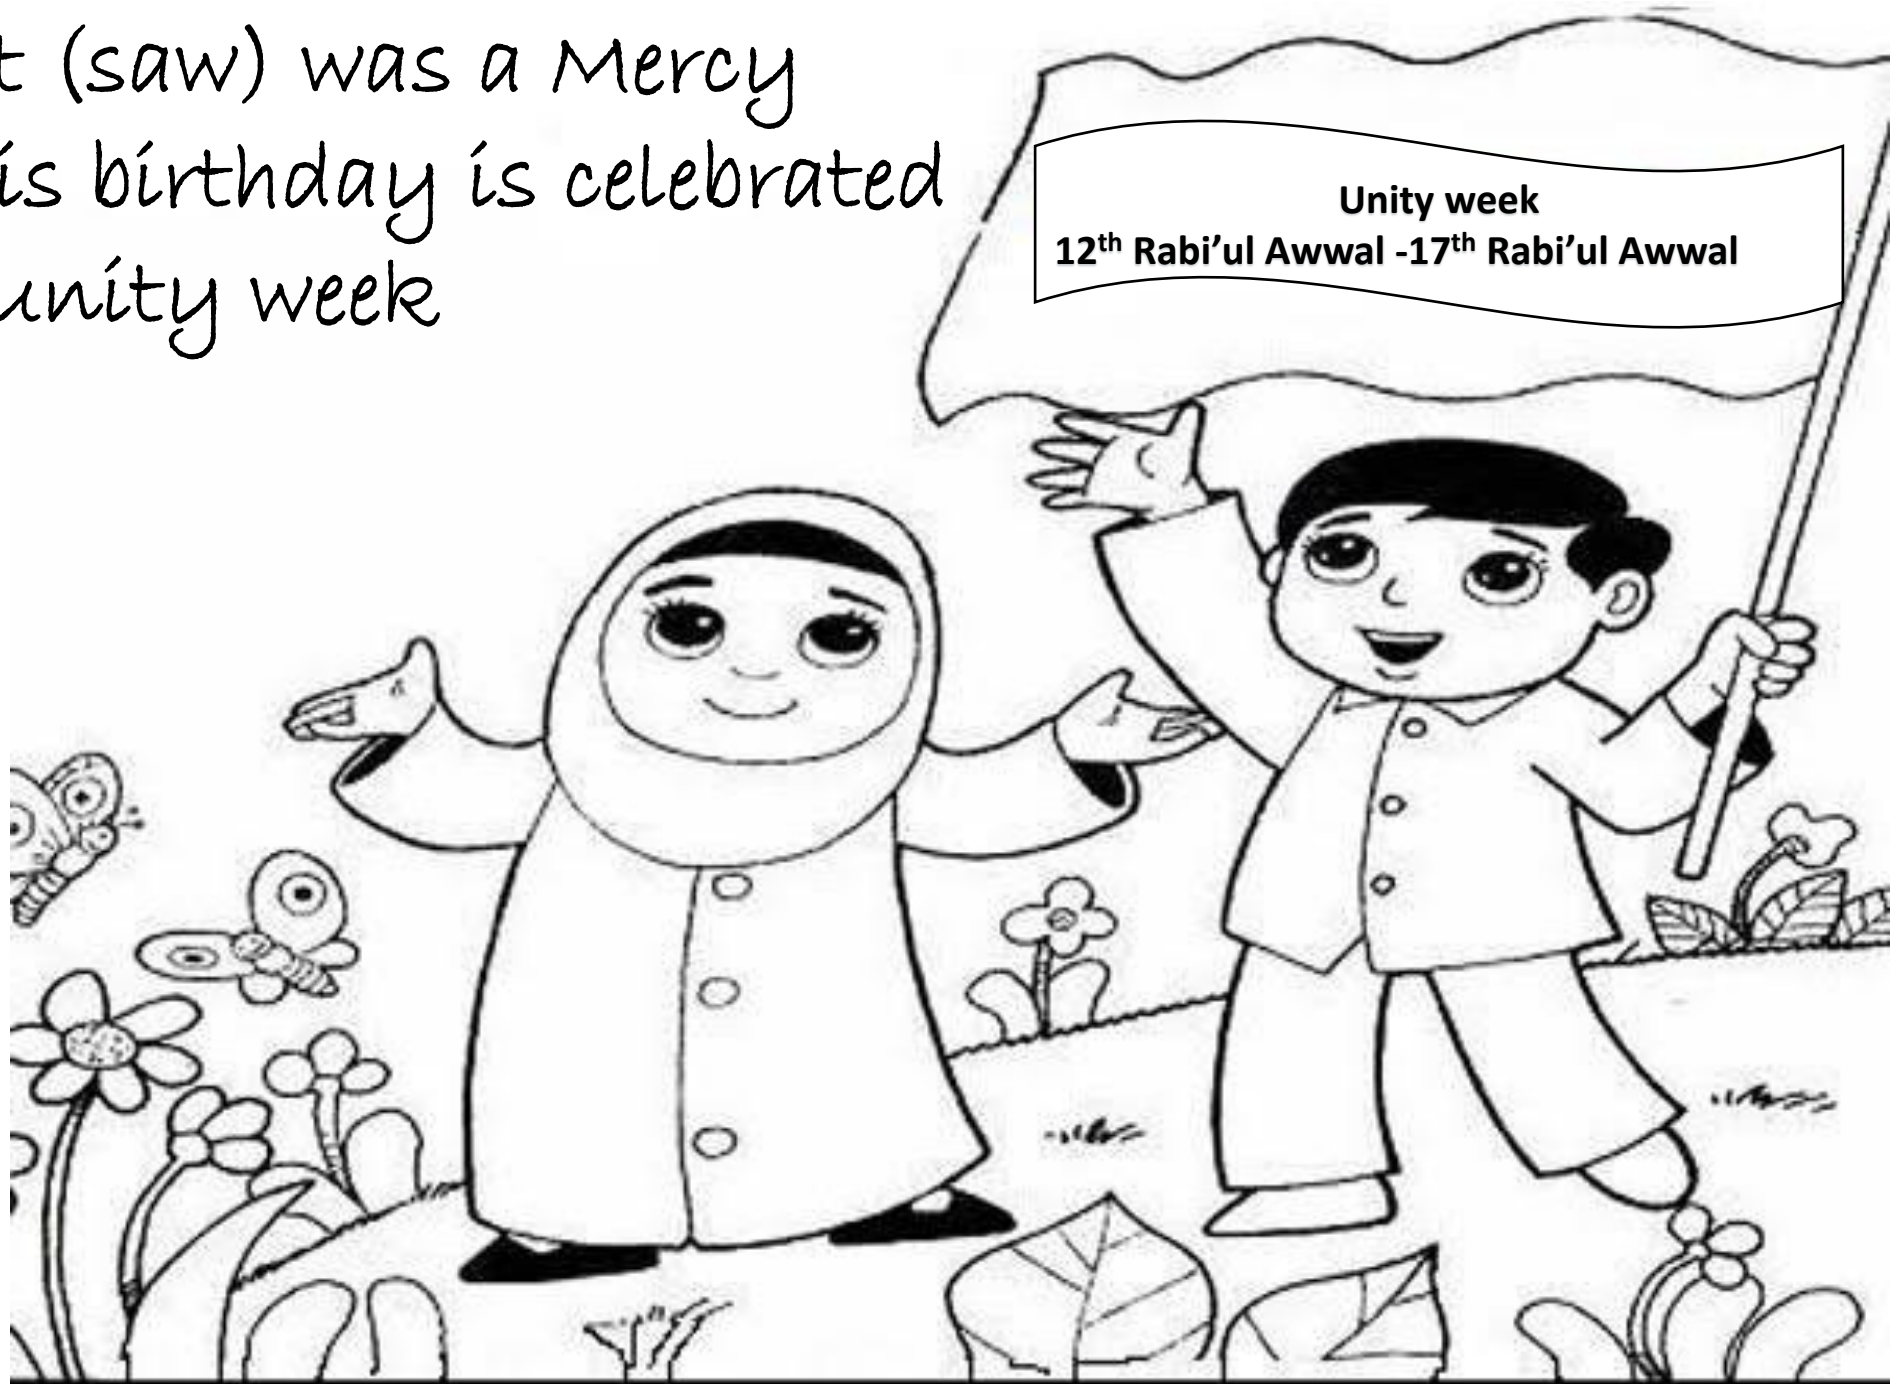

Father:

Mother:

One Famous Saying:

Holy Prophet (saw) was a Mercy
to Mankind. His birthday is celebrated
as unity week

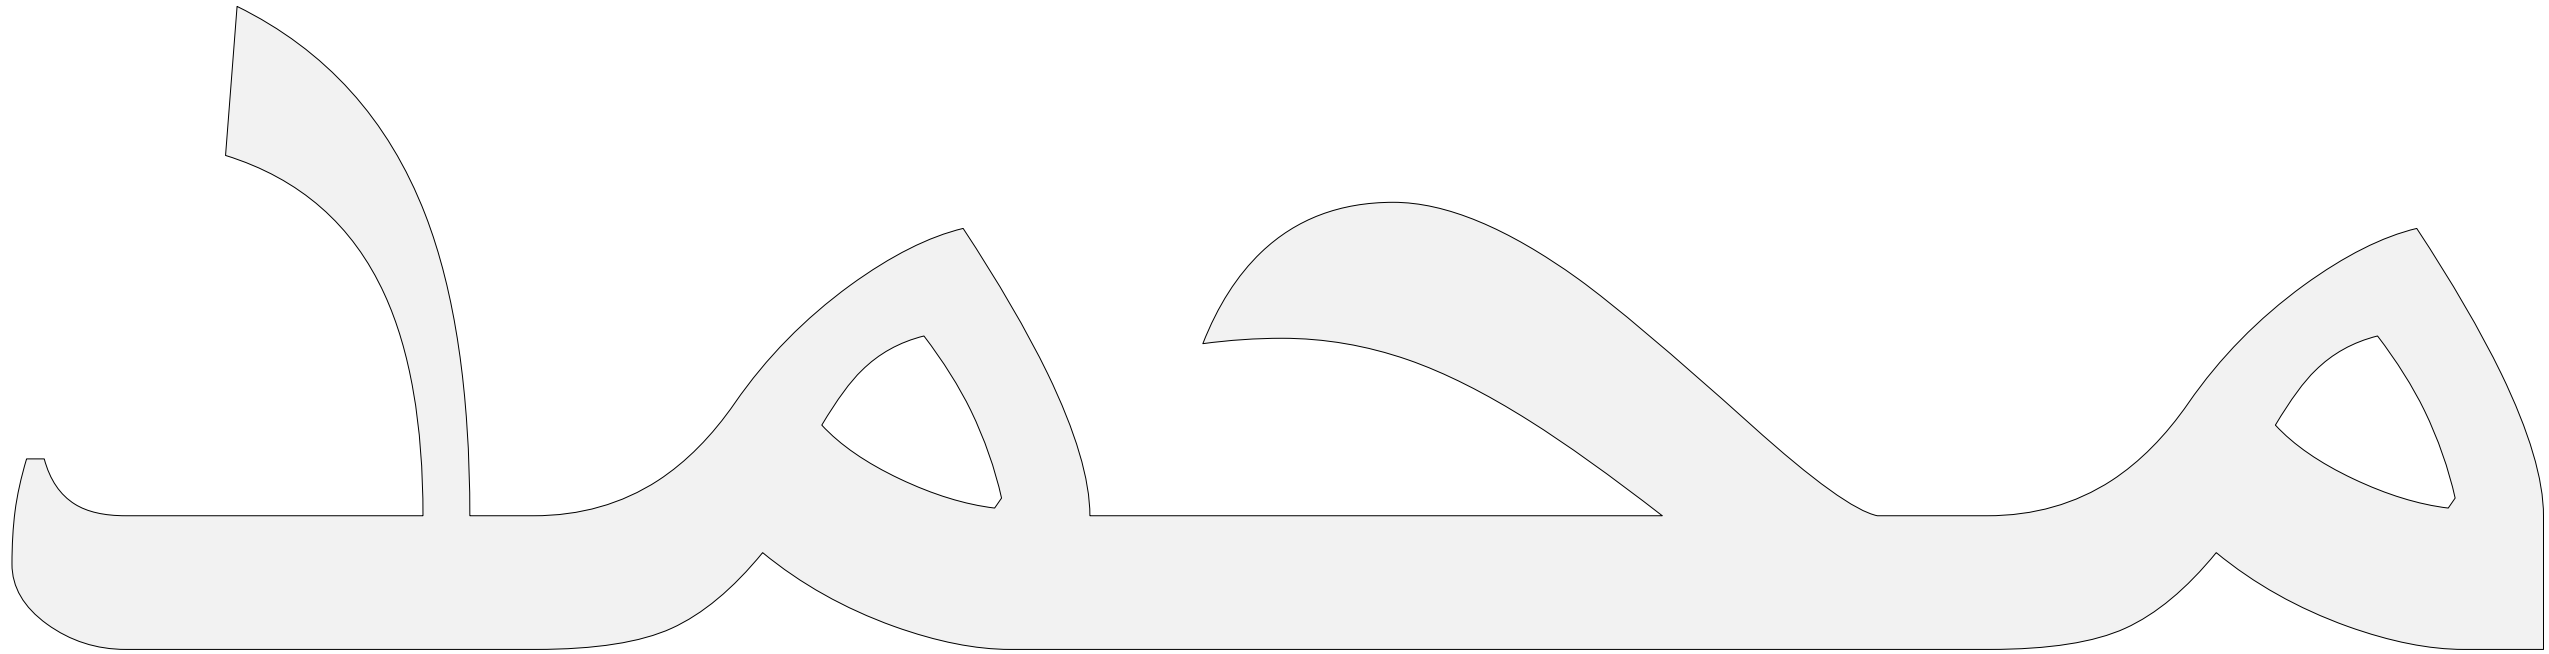

Lets design
a card
to gift
our friends
and spread the
message of
love and
Kindness

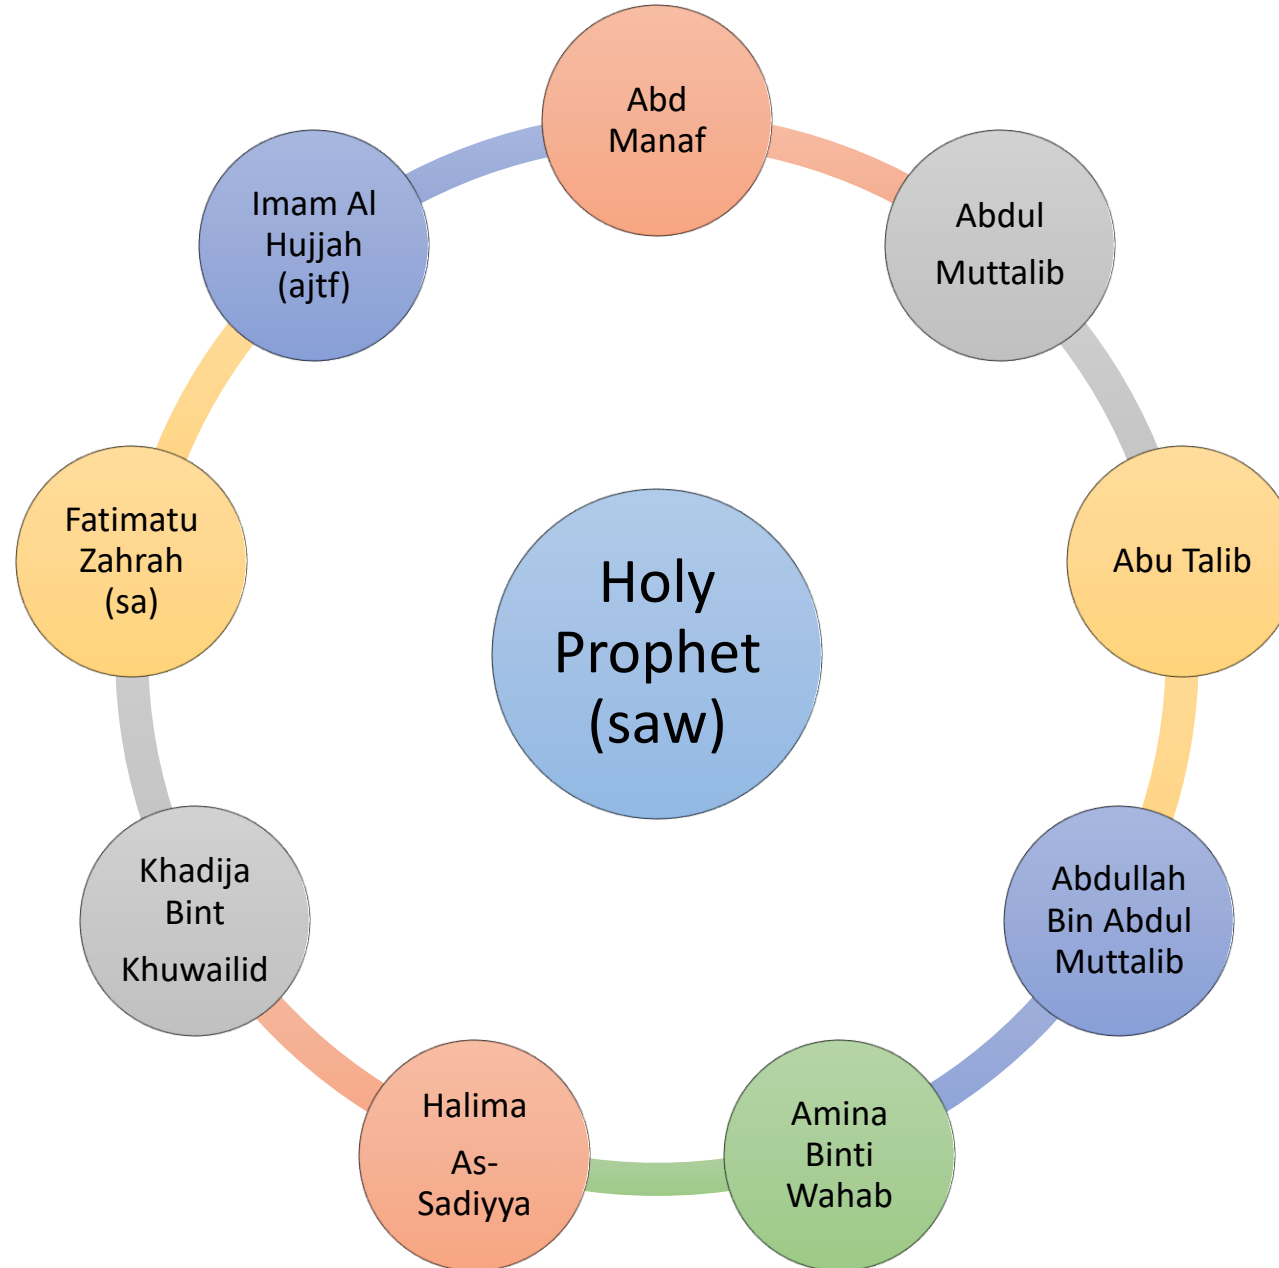

I LOVE
MY
HOLY
PROPHET
(SAW)

Let's recite 3 SALAWAAT and decorate
using different craft material

With the help of a family member, discuss and write what relation does the Holy Prophet (saw) have with these Blessed Personalities.

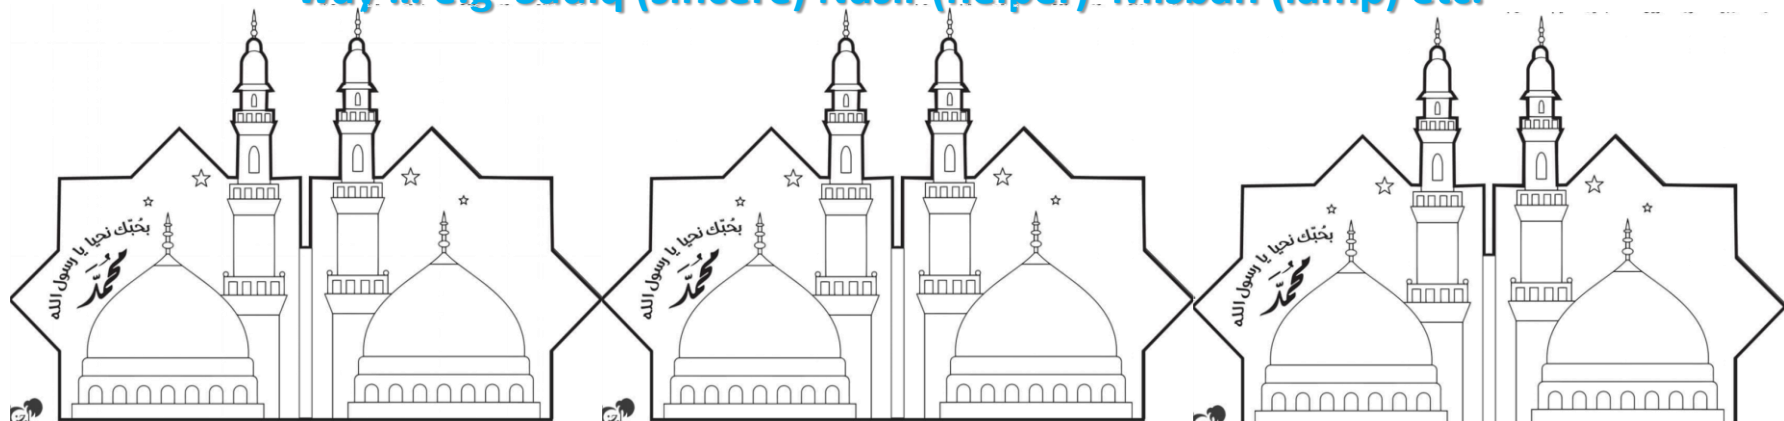

Eid e Milad un Nabi Banner

Colour, decorate and Cut the picture below to make your own Eid Milad un Nabi (saw) Banner. On each Dome write one title of the Holy Prophet (saw) with its meaning. You can take help from this

link <http://www.ezsoftech.com/islamic/infallible1f.asp>

As a family discuss and choose one title that you would like to have in you and start living that way ... e.g. Sadiq (sincere) Nasir (helper) Misbah (lamp) etc.

Do you know which Imam (as) Shares the Birthday
with Holy Prophet (saw)

o	u	t	u
u	s	o	h
u	o	u	u
o	x	u	u
u	o	u	i

Cancel the letter U and O
in the table below
and then
re arrange the remaining
alphabets to find out.

17th Rabi'ul Awwal
HAPPY BIRTHDAY

To

Imam Jafer Sadiq (as)

Pollution

Rotation of Earth

Origin of Universe

Elements

Advice
to Mums

Let's Enter the University of Imam Ja'far Sadiq (as)

Disease
by Rays

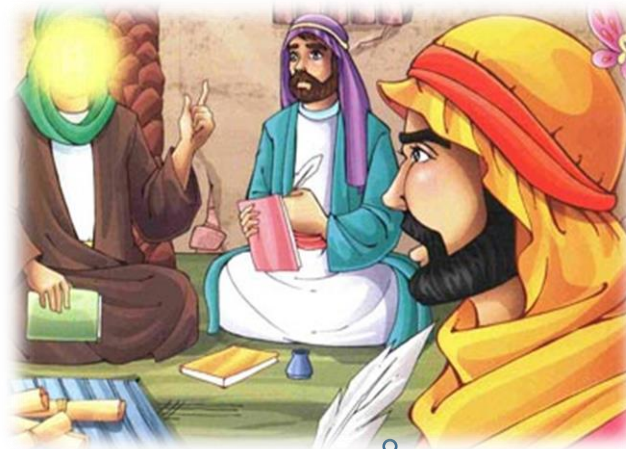

Literature

Theory
of Light

Presence of
Hydrogen

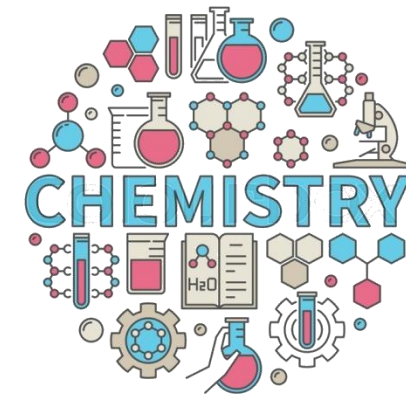

Elements in
Human body

Light of Stars

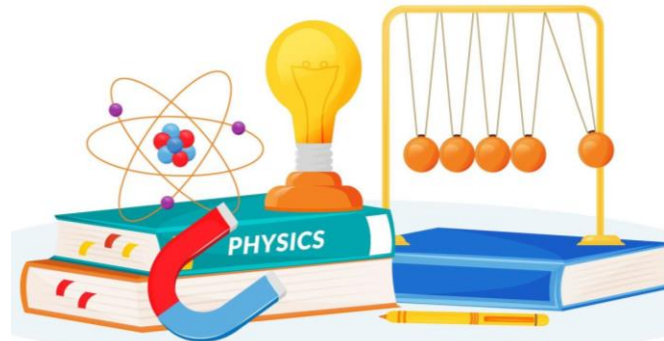

Abu Abdallah
Muhammad

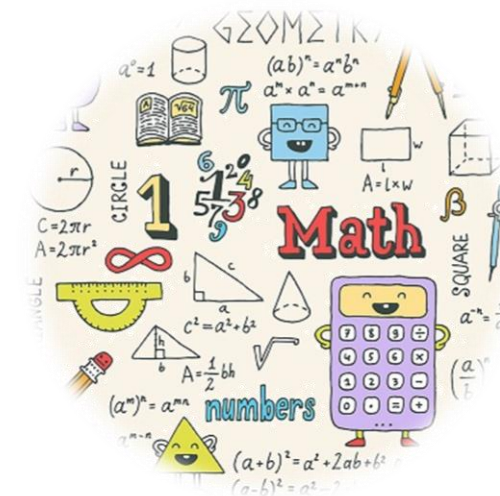

Choose one student of
Imam Ja'far Sadiq (as)
and create an
Informative lapbook on
his life and
contributions to society

Al Khwarizmi

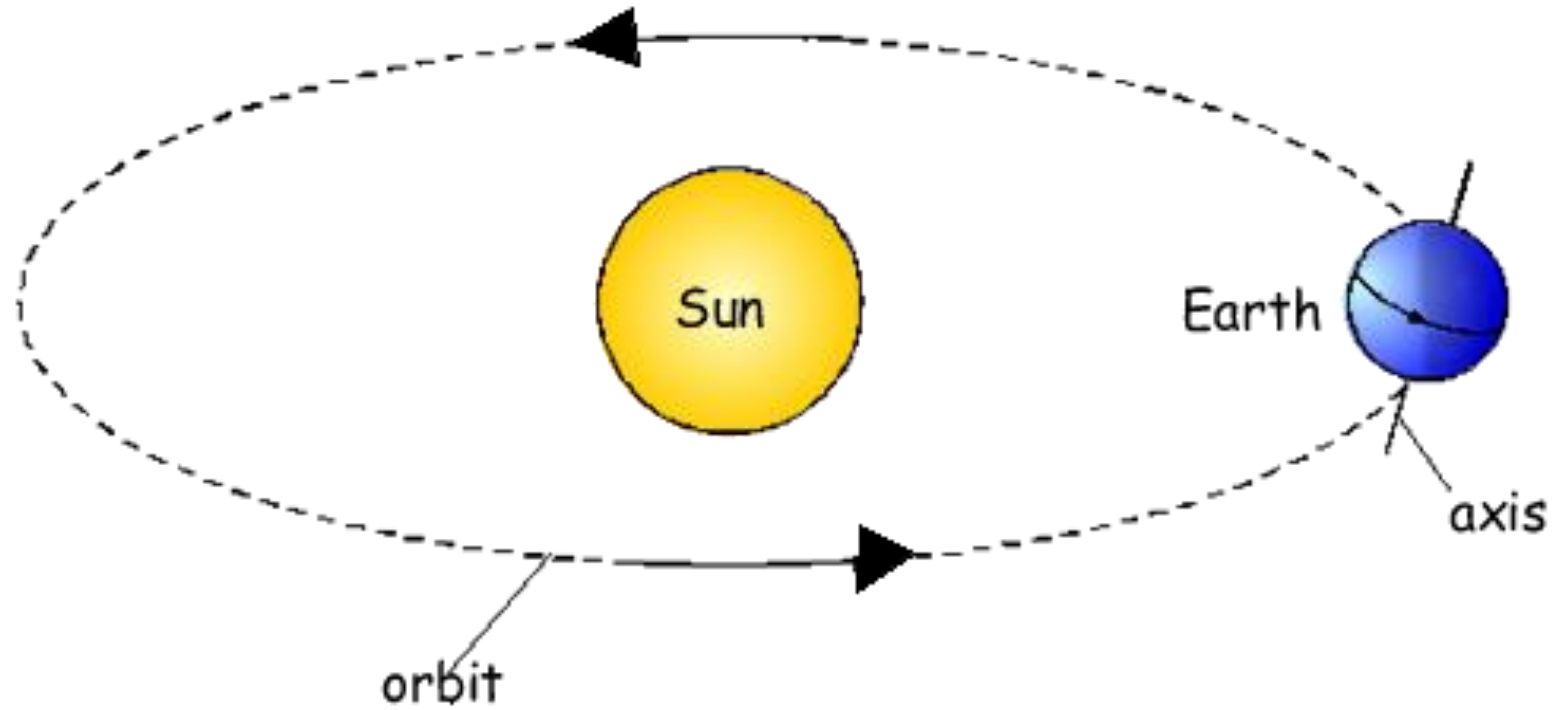

Jabir ibn
Hayyan

Abu Rayhan
al Biruni

Imam Ja'far Sadiq (as) said that the earth rotates on its own axis.

Search one Ayah from the Holy Quran related to movement of Earth

Imam Ja'far as-Sadiq (as) proved that Water, Air, and Fire were not elements, but a mixture of elements.

water

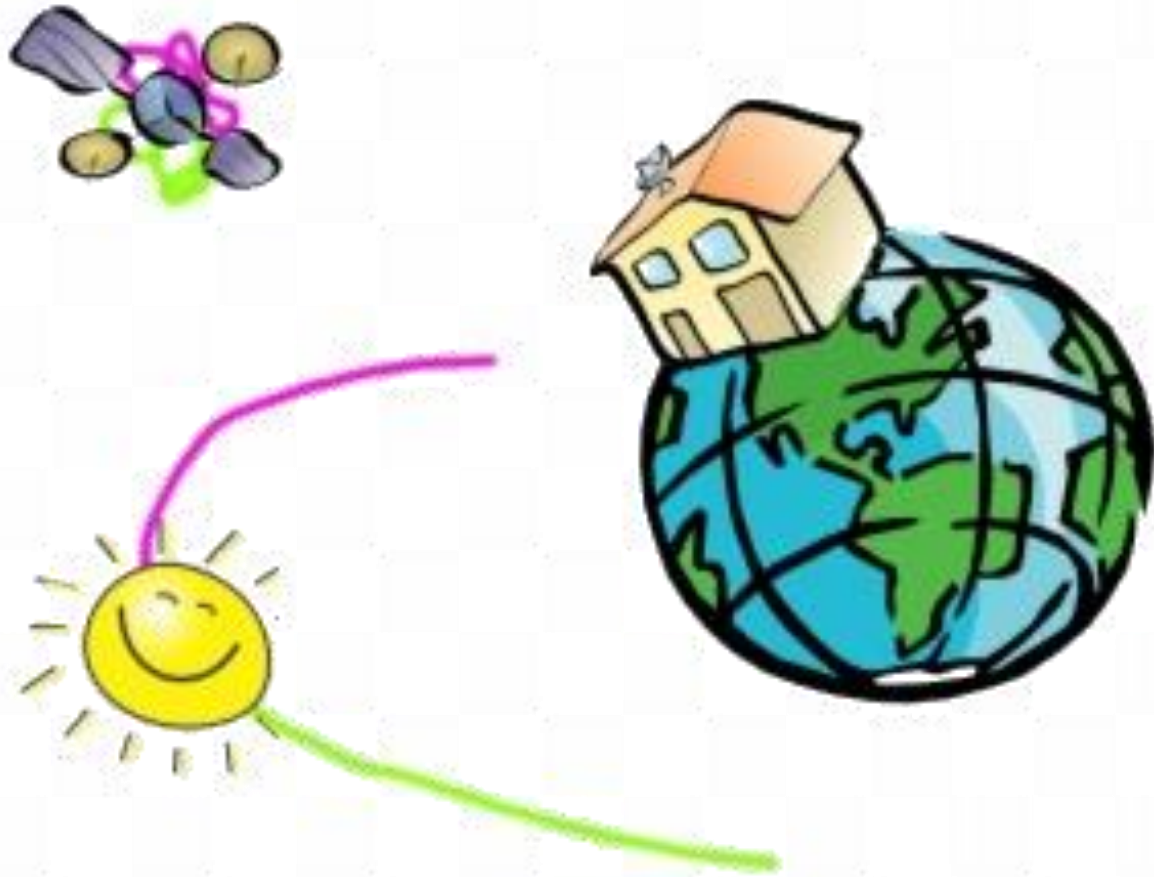

FIRE

air

Challenge yourself !!!
Let's create an art work using
Water, Air, Fire

Imam Ja'far Sadiq (as) said that everything in the universe including inanimate objects are always in movement although we may not see it.

Search one
Ayah from the
Holy Quran
related to
expansion of
Universe

Imam Ja'far Sadiq (as) had said:

The four elements which are in large quantities in the human body are:
Oxygen, Carbon, Hydrogen and Nitrogen.

The eight elements which are in small quantities are :

Magnesium, Sodium, Potassium, Calcium, Phosphorus, Sulphur, Iron,
and Chlorine.

The other eight elements which are in very minute quantities are :

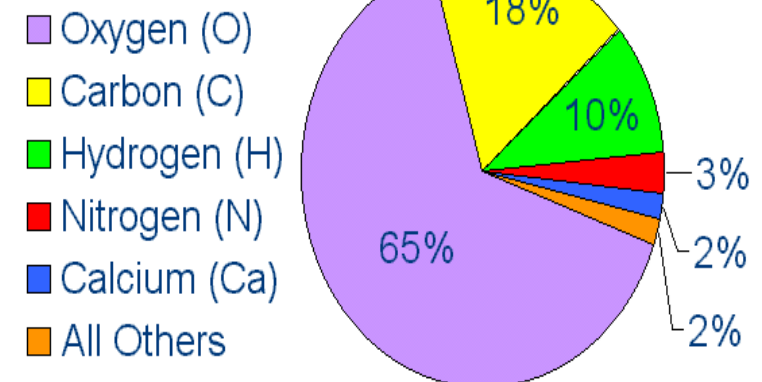

Molybdenum, Cobalt, Manganese, Copper, Zinc, Fluorine, Silicon and
Iodine.

Let's Research !!!

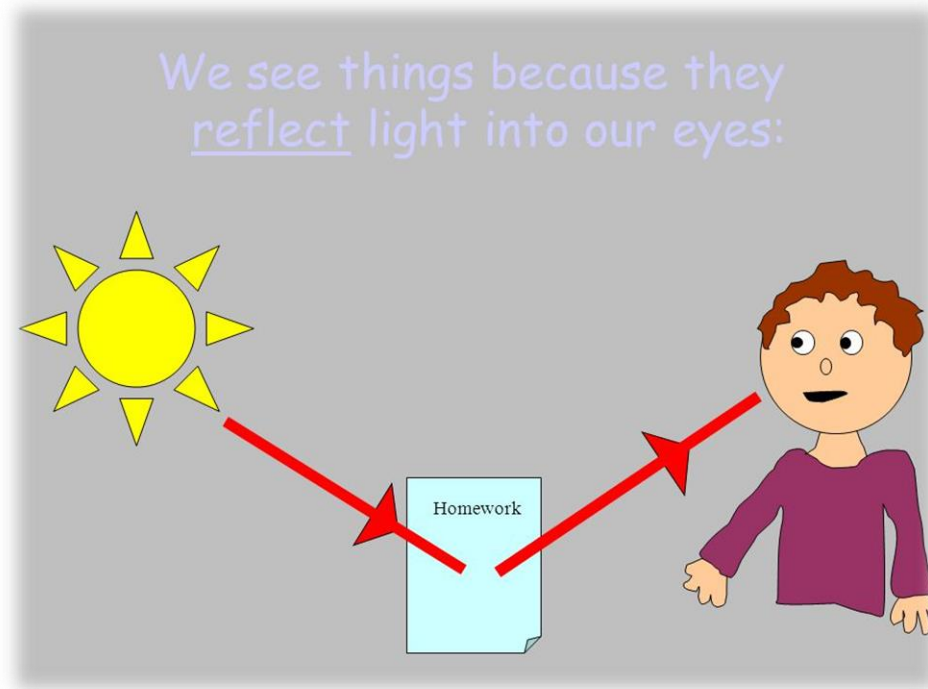

Can you find food sources that are rich
in these elements

- Magnesium
- Potassium
- Calcium
- Iron
- Zinc

Elements in the Human Body

Imam Ja'far Sadiq (as) in his Theory of Light has said that light reflected by different objects comes to us, but only a part of the rays enter our eyes.

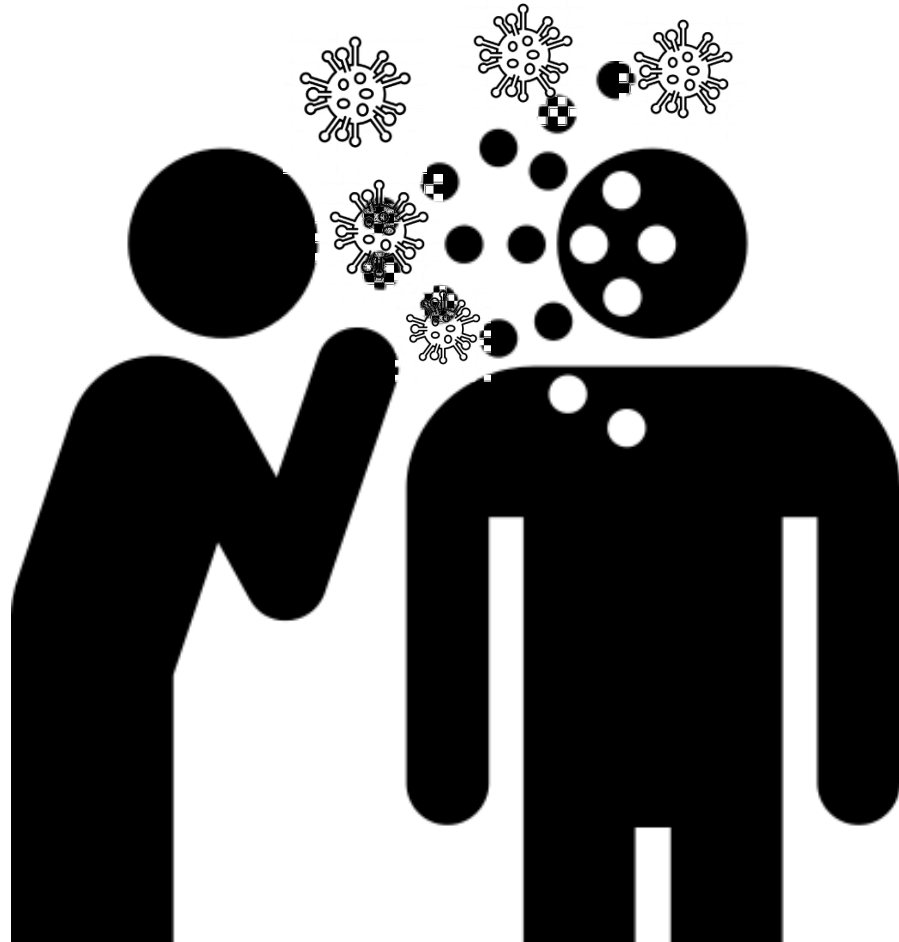

Do you know the difference between

- Reflection
and
- Refraction

Let's Research !!!

Imam Ja'far Sadiq (as) has said that patients suffering from certain diseases emit special types of rays. If these rays fall upon a healthy person, they are apt to make him sick.

In which Ayat of the Holy Quran does Allah (swt) say that ...

He Cures us when we are Sick

Search...

Surah Name
Ayat number

Imam Ja'far Sadiq (as) has said that among the clusters of stars which we see at night, some are so bright that our sun, in comparison, is quite insignificant.

What do you call
Stars in Arabic...

Let's search one
Ayah from the
Holy Quran related
to Shining Stars
and draw it...

Imam Ja'far Sadiq (as) defined 'literature' as:

“Literature is the garment which one puts on what he says or writes so that it may appear more attractive.”

Challenge yourself !!!

Write the above words of Imam Ja'far Sadiq (as)
in different writing styles

You can choose from Cursive, Print or maybe try out Calligraphy

**Imam Ja'far Sadiq (as)
has said that we
should not pollute our
environment
otherwise it would
become impossible
to live on
this planet.**

**Create an
awareness
poster to help
stop all types
of pollution
and share with
friends**

Good Advice for Mothers from Imam Ja'far Sadiq (as)

Imam (as) has advised mothers that they should put their new born babies to sleep on their left side.

Read Surah Luqman with an adult and share how Allah (swt) wants us to behave with our parents

List 5 ways how we can be thankful to them ...

Time to exit the University !!! NOW TEST YOURSELF

 **Let's begin our test 😊**

Which two Masoomeen share the birthday on 17th Rabi'ul Awwal

What's the meaning of Ja'far

Recite Salwaat and move two steps

Narrate what Imam Ja'far Sadiq (as) said about literature

Roll your Dice and play the board game

Name of Imam (as) student who is known as father of chemistry

How did Imam (as) explain who a true shia is

What did Imam Ja'far Sadiq (as) tell mothers

What did Imam (as) say about the origin of the universe

Which two Masoomeen share the title
يا ابا عبد الله

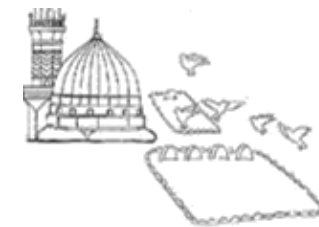

Name the masoomeen who are buried in Baqi'e

Narrate what Imam (as) has said about pollution

Steps to Medina

Roll the dice, land on a box, answer the question

What did Imam (as) explain about Diseases caused by rays

What did Imam (as) say about the theory of light

Last words by Imam (as) about Salah

Recite Dua e Faraj (ajtf) and win the game

Alhamdulillah recite SALAWAAT you won 😊

Imam Jaf'ar Sadiq (as) has said:

"Verily, our intercession (Shafaat) does not reach the one who takes (Namaz) prayers lightly".

Imam Mehdi (ajtf) has explained....

Nothing disgraces Satan like prayers, so pray and disgrace Satan

Today being Imam (as)
Birthday let us promise
Fatematu Zahrah (sa) that
we, the soldiers of Imam
(ajtf) will always pray on time
and upset shaitan ...
